

## Peace Lutheran Family Ministry (Prek-5<sup>th</sup>)

**Mission:** For children and parents to grow in their awareness of being members of the Body of Christ and develop life-long rituals to nurture faith

**Goals:** To provide education, service, worship, fellowship, and experiences which will enable:

1. The development of the relationship between the church and the family
2. The development of social relationships with peers in the congregation and community
3. The opportunity to enhance worship and faith learning of family so that they can experience the joy of God's presence

### Fellowship/Service:

Family Fellowship/Service Events: These events will be held on the Friday following the third Sunday of the month from 7:00 -8:30 pm on the church grounds, however the time and place may vary for special events such as movie days, holidays, etc.

Summer Ministries: There are two ministries offered to children, Camp Hope and VBS. Camp Hope is our outreach summer camp ministry program which offers a 3 week program of music, games, arts & crafts, kitchen time, splash days, small groups and bible study for children. VBS is our Sunday School outreach ministry which focuses on the evening fellowship, study, and activities which invites the community to come together.

### Prayer/Study:

Sunday School: Sunday education which will focus on activating the faith of our children and bringing back these lessons to the family unit for further discussion and development of family. Sunday school is every Sunday at 9:45 am-10:45 am.

Milestone Ministry: Blessings and classes that are held at Peace to help uplift important events in the lives that have an important impact on the faith development of the family and children. The following are geared towards Families: First Day of School, Baptism, First Bible, Worship/ Church Calendar, First Time Campers

Communion Instruction: Every fall and spring, families of all ages attend classes together which teaches the responsibilities, gifts, and privileges of Communion participation. After completing the class, the participants are given recipe for communion bread to make for the congregation and also for the family to take.

### Worship/Leadership:

Youth Council: This is to give our parents an opportunity to serve and help in a leadership with the development of the ministry. This is multi-generational council, but the council is there to help the director of youth and family ministry in discerning the progress of the ministry. Meetings are once a month and time and meeting is depending upon the council.

Worship Studies/ Service: Families and youth are given an opportunity to serve in multiple roles in the development of the worship. These can be service opportunities or educational, but that will depend on the needs of the community at the given time.
